

Guidelines for Purchasing Property in Solivita

- ❖ **No new homeowner walk-ins will be processed in the Membership Office unless paperwork has been submitted prior to their visit.**

For a smooth transition into the Solivita Community, it is necessary that the following registrations are provided at least two weeks prior to the closing date. When submitted to the Membership Office, acknowledgement of receipt will be provided and records will be created pending the purchase. This information provides the base for the new resident records in the Membership and Gate House database and ensures a quick in-processing for new owners.

- Age Verification Form, completed including signatures of all new residents
- Driver Licenses for all new residents listed on the Age Verification Form
- Solivita Auto Registration Form
- State Registration for all cars, showing ownership or lessee for every vehicle
- Informed Consent Agreement and Waiver for all new residents
- PAR-Q Form for all new residents

- ❖ **There must be one person 55 years or better occupying the home.**

- ❖ After closing, **ONE** of the following documents are required for proof of ownership:

- Final Closing Disclosure Statement – signed by buyer and seller
- Final HUD Statement – signed by buyer and seller
- ALTA Settlement Statement – Combined - signed by buyer and seller
- Warranty Deed, recorded by Polk County – usually not immediately available

The closing document may be emailed to the Membership Office directly from the Title Company, or if title prefers, forwarded from your personal email account. New Residents may also provide them when they arrive in our office. Please note: records will NOT become active (or visible to the gates) until proof of ownership is provided. On Monday-Friday, Non-Active new residents should arrive at the Main Gate and state they are visiting with the Membership Office to complete new resident records.

Please note that all documents collected at Closing are sent to the Evergreen Corporate Office in Orlando and are not provided to the Membership Office. For this reason, the forms above need to be completed and submitted to the Membership Office.

- ❖ When new owners visit Membership, they will be provided with a new resident membership packet with detailed information on the Solivita Community, phone directory, maps, etc. New Resident Orientations are offered weekly and by APPOINTMENT ONLY. Appointments can be made by calling 863-420-5692.
- ❖ Resident ID Badges will also be provided for access to the amenities only when all forms have been provided with signatures. Two Memberships are included with the monthly Club Dues. Any memberships over two require proof of residency prior to issuing ID's. Proof of residency would be a FL driver's license

or FL State ID with the Solivita home address. Occupant ID's are \$25.00 per year and require proof of residency at renewal.

- ❖ It is important to provide all car registration information as License Plate Recognition is the new gate access system. There are cameras located in all resident lanes. The vehicle should be driven slowly up to the gate without stops and starts. The camera will read the information on the license plate and any ACTIVE records will allow entry. If resident records are active and gate access does not work properly, contact the Membership Office with: Date, time and name of gate. Membership will trouble shoot "read" errors on the gate cameras.
- ❖ It is the responsibility of the New Homeowner and Realtor to notify the Membership office when there is a purchase pending. The Membership Office works diligently to enable the smooth transition for all new residents, however, without the purchase pending information we cannot be prepared for new resident arrival at the gates or in the office. Remember, the Gate House cannot grant access to new residents or any visitors/deliveries if they cannot see their records. Only "active" records are visible to the Gates.
- ❖ Moving vans and trailers are not allowed to park overnight in resident driveways or on the streets. Parking permits can be purchased thru Membership for up to 4 nights only. PODS that are delivered to homes are only allowed on driveways and must contact the Compliance Department with delivery dates and length of time prior to delivery at 863-427-7032.
- ❖ If the home purchased is intended for lease, only the Tenants (those persons occupying the Home) shall be entitled to exercise the privileges of a Member with respect to such Home; however, the Owner and Lessee shall be jointly and severally liable for all Club Dues under the Solivita Club Plan, paragraph entitled, "Member." Homeowners are transferring the Club privileges and the gate access to this home over to the Lessee. Homeowners are not allowed to use their ID Badges, and use of transponders for this home are to be given to the Tenant during the term of the lease unless they own and occupy another Solivita property. Please contact the Membership Office for more information on leasing a property.
- ❖ Please remember to submit completed forms listed above for all that will occupy the home. This information may be submitted to SolivitaMembership@Evergreen-LM.com or fax these documents to the Solivita Homeowners Association at 863-496-4456.
 - **The application is validation that one person occupying the home is 55 or better.**
 - These forms are attached and also available at the Solivita Membership office and the Community Association office, which is located in the Administration Building, or on the Solivita HOA Website.

For additional information, please contact the Membership office at 863-427-7143, or 863-866-8690.

Thank you for your cooperation.

REMINDER - 55+ SENIOR HOUSING RESTRICTIONS

As Solivita nears the developer's completion date and resales of existing homes remains steady, this is a good time to go over the rules relating to purchase of a Solivita home and the requirement that one person age 55+ must reside in the Solivita home.

According to the Master Declaration (provisions included below), Solivita homes are intended for housing a persons age 55+. The Master Declaration also includes restrictions on occupancy at section 44.2. That provision requires at least one person age 55+ to be a permanent occupant of the Solivita home at all times. The only exception to that requirement (the 20% hardship exception) is for the Qualifying Occupant's surviving spouse who is under age 55. The Master Declaration does not provide for additional exceptions to the age restriction.

Additionally, the Master Declaration at 44.3 states that while ownership of a Solivita Home is not restricted, the owners may not occupy that Home unless there is a permanent resident residing in the home who is age 55+.

SOLIVITA MASTER DECLARATION PROVISIONS

44.Senior Housing Restrictions.

44.1 General. The Homes within Solivita are intended for the housing of persons fifty- five (55) years of age or older. The provisions of this Section 44 are intended to be consistent and are set forth in order to comply with the Federal Fair Housing Amendments Act, 42 U.S.C. §3601, et seq. (1988), and the exemption therefrom provided by the Housing for Older Persons Act of 1995, 42 U.S.C. §3607(b)(2)(c), (as may be amended from time to time, the "**Act**"). Developer or the Association shall have the power to amend this Section 44 without the consent of the Owners in order to make this Section 44 consistent with the Act, the regulations adopted pursuant thereto, and any judicial decisions arising thereunder

or otherwise relating thereto, and any local ordinances regarding age restrictions, in order to maintain the intent and enforceability of this Section. The Association must ensure that at least 80% of the Homes shall be occupied by at least one person fifty-five (55) years of age or older per Home.

44.2 Restrictions on Occupancy

44.2.1 Each occupied home within Solivita shall at all times have as a permanent occupant therein at least one person who is fifty-five (55) years of age or older (the “**Qualifying Occupant**”); provided, in the event of a death of the person who was the sole Qualifying Occupant of a Home, the spouse of such Qualifying Occupant may continue to occupy the Home as long as the provisions of the Act and the regulations adopted thereunder are not violated by such occupancy.

44.2.2 No persons who have yet to attain eighteen (18) years of age shall be permitted to reside in any Home within Solivita except as provided herein. Children under eighteen (18) years of age may be permitted to visit and temporarily reside in a home provided that such temporary residence shall not exceed thirty (30) days in any one calendar year. Only an Owner and his or her Immediate Family Members who are eighteen (18) years of age or older may permanently reside in a residence.

44.3 Sale, Lease or Transfer. Nothing in this Section 44 is intended to restrict the ownership of or transfer of title to any Home; **provided no Owner may occupy his or her Home unless the requirements of this Section 44 are met** nor shall any Owner permit occupancy of the Home in violation of this Section 44. Owners shall be responsible for including the statement that the Homes within Solivita are intended for occupancy by persons fifty-five (55) years of age or older, as set forth above,

in conspicuous type in any lease, purchase and sale agreement, transfer documents or other occupancy agreement relating to such Owner's Home, which agreements or contracts shall be in writing and signed by the Lessee or purchaser. Without limiting the foregoing, Association has the right to withhold approval of any transfer or change in occupancy of a Home that will not result in occupancy of the Home by at least one person fifty-five (55) years of age or older. Every lease of a Home shall provide that failure to comply with the requirements and restrictions of this Section shall constitute a default under the lease.

Read each question carefully and answer each one honestly: check YES or NO.

| YES | NO | |

Talk with your doctor BEFORE you becoming more physically active or BEFORE you have a fitness appraisal. Tell your doctor about the PAR-Q and which questions you answered YES.

If you answered NO honestly to all PAR-Q questions, you can be reasonably sure you can:

- Start becoming more physically active. Begin slowly and build up gradually. This is the safest and easiest way.
- Take part in a fitness appraisal to determine your basic fitness so that you can plan the best way for you to live actively. It is also highly recommended that you have your blood pressure evaluated. If your reading is over 144/94, talk with your doctor before becoming more physically active.

Delay becoming more physically active if:

- You are not feeling well due to a temporary illness such as a cold or fever. Resume when you are feeling better.
- You are or may be pregnant. Consult with your doctor before becoming more active.

If your health changes so that you then answer YES to any of the above questions, consult your doctor before continuing your activity regimen.
