

Guidelines for Leasing Property in Solivita

- ❖ **No new rental walk-ins will be processed in the Membership Office unless paperwork has been submitted and tenancy has been approved prior to their visit.** It is suggested that all paperwork listed below is provided at least two weeks prior to the start of the lease to allow time for tenancy approval. When provided via email to the Membership Office, acknowledgement of receipt will also contain approval for property being leased whenever possible.
- ❖ **Required Paperwork**
 - Age Verification Form, completed including signatures of all new residents
 - Driver Licenses for all new residents listed on the Age Verification Form
 - Solivita Auto Registration Form
 - State Registration Form for all cars, showing ownership or lessee for every vehicle
 - Informed Consent Agreement and Waiver for all new residents
 - PAR-Q Form for all new residents
 - Fully executed Lease which **must include mailing address of landlord and Lease Term.** Lease Terms cannot be month-to-month or revert to month-to-month, leases may not be assigned or sub-leased, and should be 3 months or more.
 - The property mailing address must be registered in the corporate office (other than the address of the rental home). Approval will be withheld until the mailing address has been changed and Membership will advise if it is not listed. Owners may change or validate correct mailing address by calling Customer Service at 855-490-1804.
- ❖ New Property purchases that are intended to be lease properties may have a delay in the timing of the lease start date. Paperwork must be processed in the corporate office database as the ownership information must match that on the lease. In these cases, that leases cannot start until one month after closing.
- ❖ **There must be at least one tenant living in the property that is 55 or better.** All tenants must be named on the lease, or named as also occupying the property, to be issued ID cards for the amenities and to have cars registered for License Plate Recognition.
- ❖ Homeowners may only lease their property when the Solivita Community Association and Solivita Club monthly fees are up-to-date and there are no open violations. This is part of the approval process by several departments that may take up to 48 hours or more to process and approve. Tenant move-in, Resident ID Badges and License Plate Recognition may be impacted if the property is not current with all fees.
- ❖ When Homeowners lease their Home, only the Tenants (those persons occupying the Home) shall be entitled to exercise the privileges of a Member with respect to such Home; however, the Owner and Lessee shall be jointly and severally liable for all Club Dues under the Solivita Club Plan, paragraph entitled, "Member." Homeowners are transferring the Club privileges and the use of the transponders of this home over to the Lessee. Homeowners are not allowed to use their ID

Badges for this home during the term of the lease unless they own and occupy another Solivita property.

- ❖ It is the Homeowner's responsibility to be aware that Polk County requires all homeowners renting their property to register with them and submit copies of the lease to the Polk County Tax office. Depending on the length of the lease it is possible that homeowners will be responsible for taxes and/or fines if found non-compliant. See their website for all the details: <http://www.polktaxes.com/> On their site, select: Taxes, Tourist Development Taxes and review different categories such as Vacation Home Guide, Requirements & Allowance, and Application.
- ❖ It is the Homeowner's responsibility to inform new tenants that there is a \$50 Club Administrative fee assessed to new leases for one or two tenants. The fee increases to \$75 if there is a third tenant and increases to \$100 if there is a fourth tenant. The fee is due prior to issuing ID cards and activation of tenant records. Cash or credit card payment is acceptable.
 - Tenant records will not be visible to the gates until the fee has been paid in Membership. If Tenants plan to arrive on the weekend, fees can be submitted prior to arrival. As part of the process when entering pending records, Membership lists the tenants as visitors on the property for one week starting with the start date of the lease to allow access if the membership office is closed.
 - If the home is leased on a continuing basis, year to year, there is no additional fee until the home is leased to a different tenant.
 - This fee applies to lessees returning to lease the same or any other home for 3 months or more during the winter months, even if they have leased the same property before.
 - It is the responsibility of the tenant to return their ID cards, to the Membership office, at the end of the lease.
- ❖ It is the responsibility of the Homeowner to notify the Membership office if renewing the lease or when the tenant has vacated the property.
 - Picture ID cards and License Plate Recognition are both **programmed to deactivate at the end of each tenant's lease**. If a tenant cannot access a facility it is probably due to the fact their records have expired and lease renewal has not been submitted.
 - Homeowner ID's will be deactivated for the duration of the lease. When Membership is notified the tenant is gone, Homeowner ID's will be reactivated.
 - Please submit a copy of lease renewal to the Membership office located in the Administration building in the Village or by email at least two weeks prior to expiration.
 - If the lease is not being renewed, please notify Membership and return tenant ID cards to the membership office if in homeowner's possession.
- ❖ There is absolutely no obligation on the Club Owner's part to issue ID cards to anyone other than the homeowner.
- ❖ "The Declaration Book explains in Section 21 ***Use Restrictions, Sub-section 21.26 homes may be leased, licensed or occupied ONLY IN THEIR ENTIRETY and NO FRACTION OR PORTION MAY BE RENTED. No bed and breakfast facility may be operated out of a Home. INDIVIDUAL ROOMS OF A HOME MAY NOT BE LEASED ON ANY BASIS. NO TRANSIENT TENANTS MAY BE ACCOMMODATED IN A HOME. All leases or occupancy agreements shall be in writing and a copy of all leases of Homes not comprising part of a Multi-Family Rental Building shall be provided to the Association. Leases of Homes forming a part of a Multi-Family Rental Building shall not be***

submitted to the Association unless the Association reasonably requests a copy of the same from the Owner of a Multi-Family Rental Building in connection with the enforcement of this Declaration or Rules and Regulations.

No Home, other than Homes within a Multi-Family Rental Building, may be subject to more than two (2) leases in any twelve (12) month period, regardless of the lease term. No time-share or other similar arrangement is permitted. The Owner must make available to the lessee or occupants copies of the Community Documents.” The (12) month period is NOT a calendar year. The year begins with the Lease Start Date.

- ❖ When new Tenants visit Membership, they will be provided with a new resident membership packet with detailed information on the Solivita Community, phone directory, maps, etc. New Resident Orientations are offered weekly by APPOINTMENT ONLY. Appointments can be made by calling 863-420-5692.
- ❖ It is important to provide all car registration information as License Plate Recognition is the gate access system. There are cameras located in all resident lanes. The vehicle should be driven slowly up to the gate without stops and starts. The camera will read the information on the license plate and any ACTIVE records will allow entry. Do not try go through with another vehicle as the arms may not remain in the open position to allow your car to pass through. If Tenant records are active and gate access does not work properly, contact the Membership Office with: Date, time and name of gate. Membership will trouble shoot “read” errors on the gate cameras.
- ❖ Moving vans and trailers are not allowed to park overnight in resident driveways or on the streets. Parking permits can be purchased thru Membership for up to 4 nights only. PODS that are delivered to homes are only allowed on driveways and must contact the Compliance Department with delivery dates and length of time prior to delivery at 863-427-7032.
- ❖ Please remember to submit a completed Lease, and the forms above for all that will occupy the home. This information may be submitted to solivita@ciramail.com or fax these documents to the Solivita Homeowners Association at 863-496-4456.
 - **The application is validation that one person occupying the home is 55 or better.**
 - All occupants of the property should be listed on the lease and a form of identification for each attached.
 - These forms are included and also available at the Solivita Membership office and the Community Association office, which is located in the Administration Building, or on the SolivitaHOA Website.

For additional information, please contact the Membership office at 863-427-7143. Thank you for your cooperation.

REMINDER - 55+ SENIOR HOUSING RESTRICTIONS

As Solivita nears the developer's completion date and resales of existing homes remains steady, this is a good time to go over the rules relating to purchase of a Solivita home and the requirement that one person age 55+ must reside in the Solivita home.

According to the Master Declaration (provisions included below), Solivita homes are intended for housing a persons age 55+. The Master Declaration also includes restrictions on occupancy at section 44.2. That provision requires at least one person age 55+ to be a permanent occupant of the Solivita home at all times. The only exception to that requirement (the 20% hardship exception) is for the Qualifying Occupant's surviving spouse who is under age 55. The Master Declaration does not provide for additional exceptions to the age restriction.

Additionally, the Master Declaration at 44.3 states that while ownership of a Solivita Home is not restricted, the owners may not occupy that Home unless there is a permanent resident residing in the home who is age 55+.

SOLIVITA MASTER DECLARATION PROVISIONS

44.Senior Housing Restrictions.

44.1 General. The Homes within Solivita are intended for the housing of persons fifty- five (55) years of age or older. The provisions of this Section 44 are intended to be consistent and are set forth in order to comply with the Federal Fair Housing Amendments Act, 42 U.S.C. §3601, et seq. (1988), and the exemption therefrom provided by the Housing for Older Persons Act of 1995, 42 U.S.C. §3607(b)(2)(c), (as may be amended from time to time, the "**Act**"). Developer or the Association shall have the power to amend this Section 44 without the consent of the Owners in order to make this Section 44 consistent with the Act, the regulations adopted pursuant thereto, and any judicial decisions arising thereunder

or otherwise relating thereto, and any local ordinances regarding age restrictions, in order to maintain the intent and enforceability of this Section. The Association must ensure that at least 80% of the Homes shall be occupied by at least one person fifty-five (55) years of age or older per Home.

44.2 Restrictions on Occupancy

44.2.1 Each occupied home within Solivita shall at all times have as a permanent occupant therein at least one person who is fifty-five (55) years of age or older (the “**Qualifying Occupant**”); provided, in the event of a death of the person who was the sole Qualifying Occupant of a Home, the spouse of such Qualifying Occupant may continue to occupy the Home as long as the provisions of the Act and the regulations adopted thereunder are not violated by such occupancy.

44.2.2 No persons who have yet to attain eighteen (18) years of age shall be permitted to reside in any Home within Solivita except as provided herein. Children under eighteen (18) years of age may be permitted to visit and temporarily reside in a home provided that such temporary residence shall not exceed thirty (30) days in any one calendar year. Only an Owner and his or her Immediate Family Members who are eighteen (18) years of age or older may permanently reside in a residence.

44.3 Sale, Lease or Transfer. Nothing in this Section 44 is intended to restrict the ownership of or transfer of title to any Home; **provided no Owner may occupy his or her Home unless the requirements of this Section 44 are met** nor shall any Owner permit occupancy of the Home in violation of this Section 44. Owners shall be responsible for including the statement that the Homes within Solivita are intended for occupancy by persons fifty-five (55) years of age or older, as set forth above,

in conspicuous type in any lease, purchase and sale agreement, transfer documents or other occupancy agreement relating to such Owner's Home, which agreements or contracts shall be in writing and signed by the Lessee or purchaser. Without limiting the foregoing, Association has the right to withhold approval of any transfer or change in occupancy of a Home that will not result in occupancy of the Home by at least one person fifty-five (55) years of age or older. Every lease of a Home shall provide that failure to comply with the requirements and restrictions of this Section shall constitute a default under the lease.

Talk with your doctor BEFORE you becoming more physically active or BEFORE you have a fitness appraisal. Tell your doctor about the PAR-Q and which questions you answered YES.

- You may be able to do any activity you want as long as you build up gradually. Or, you may need to restrict your activities to those which are safe for you, based on your doctor's recommendation.
- Find out which community programs are safe and helpful for you.

If you answered NO honestly to all PAR-Q questions, you can be reasonably sure you can:

- Start becoming more physically active. Begin slowly and build up gradually. This is the safest and easiest way.
- Take part in a fitness appraisal to determine your basic fitness so that you can plan the best way for you to live actively. It is also highly recommended that you have your blood pressure evaluated. If your reading is over 144/94, talk with your doctor before becoming more physically active.

Delay becoming more physically active if:

- You are not feeling well due to a temporary illness such as a cold or fever. Resume when you are feeling better.
- You are or may be pregnant. Consult with your doctor before becoming more active.

If your health changes so that you then answer YES to any of the above questions, consult your doctor before continuing your activity regimen.

NO changes to the PAR-Q are permitted. If you health changes, please complete a new form.
